Ir Premi en la LII edició del "Concurs de Composició d'Alcoi" 2016

La següent marxa mora guanyadora del LIIé Concurs de Composició de Música Festera l'Alcoi, representa el modest homenatge que un servidor volgué fer en 2015 pel X Aniversari de la mort d'un dels grans compositors valencians del s.XX: Amando Blanquer.

Aquesta, està construïda a partir d'un minuciós anàlisi i "(re)-construcció" melòdico-rítmica d'algunes de les marxes mores més rellevants de l'autor, com poden ser *L'Ambaixador* (1958), *Any d'Alferis* (1967), *Marxa del Centenari* (1982), *El Somni* (1989) o *Moment de Festa* (2000).

En primer lloc, us presentem alguns dels exemples més clars a nivell melòdico-rítmic dels préstecs que s'han fet servir de la música del mestre.

En la **INTRODUCCIÓ**, podem veure un cita a *Moment de Festa*. El primer motiu es presenta amb una intervàlica per retrogradació invertida, i una rítmica pràcticament literal però desplaçada (de forma que perd el caràcter acèfal de la frase per convertir-lo en tètic, el que fa que siga menys intel·ligible a l'hora de l'escolta). El segon motiu es presenta amb els intervals simplement invertits.

The image shows two musical staves. The top staff is from 'Moment de Festa' and the bottom staff is from 'Homenatge'. Both staves are in treble clef and common time. The first measure of each staff features a circled note (A sharp in 'Moment de Festa', G in 'Homenatge') followed by a sequence of notes. Brackets below the staves indicate specific rhythmic patterns: a bracket under the first measure of each staff covers the first four notes, and another bracket under the second measure covers the last four notes. The text 'Moment de Festa' is written in blue at the end of the staff, and 'Homenatge' is written in blue at the end of its staff.

A partir del compàs 11, podem trobar un obstinat rítmic en la fusta aguda que intervalicament està tret de la *Marxa del Centenari*. Al mateix temps, rítmicament podem trobar lleugeres variacions que donen com a resultat un continu de semicorxeres si sumem el ritme d'oboès, flautes i clarinets.

The image shows two staves of musical notation for 'Marxa del Centenari'. The staves are in treble clef and common time. The notation consists of a series of eighth-note patterns that repeat throughout the piece. Brackets below the staves group these patterns into measures. The text 'Marxa del Centenari' is written in blue at the end of the staff.

Les melodies del metall (**TEMA A**), presentades en trombones, trompes, greus (per augmentació) i trompetes (per disminució) estan tretes més lliurement d'*El Somni*.

The image shows a single staff of musical notation for 'El Somni'. The staff is in treble clef and common time. It features a series of eighth-note patterns that are grouped by measure brackets. The text 'El Somni' is written in blue at the end of the staff.

A partir del compàs 40 és produït el **TEMA B** de l'obra, d'una construcció més complexa. És el resultat d'una transmutació de 2 melodies en una tercera completament nova, es a dir, s'agafa

el ritme d'una melodia i els intervals d'una altra, i es sotmeten a un procés "humà". (*En el cas d'Any d'Alferis, les notes/motiu encerclats s'eliminen o canvién per estar repetits, en el cas de L'Ambaixador -que és de on es pren el ritme- aquest comença desplaçat com en la Introducció per fer-lo menys intel·ligible si cal*).

The image shows two musical staves. The top staff is for 'Any d'Alferis' and the bottom staff is for 'L'Ambaixador'. Red circles highlight specific notes in the first staff, with a red bracket above them labeled 'fa'. Below the staves, the text 'Any d'Alferis' and 'L'Ambaixador' is written. The music consists of measures of sixteenth-note patterns.

A partir del compàs 68, es produeixen 2 contrapunts al **Tema B** presentat pel metall, el primer en clarinets i fusta aguda en forma de cànon; i el segon en saxòfons:

The image shows two staves of music. The left staff is for 'El Somni' and the right staff is also for 'El Somni'. The text 'El Somni' is written below each staff. The music consists of measures of sixteenth-note patterns.

En el compàs 84 es produeix un enllaç en el que es pot escoltar una melodia que ens pot recordar per "orquestració" i paralelisme de 7es Majors al famós "solo" de *'l'Ambaixador*, però que presenta els intervals de la *Marxa del Centenari*:

The image shows a single staff of music. The text 'Marxa del Centenari' is written to the right of the staff. The music consists of measures of sixteenth-note patterns.

A partir del compàs 90 es produeix una mena de reexposició del **Tema A'** (*El Somni*) amb un acompañament tret de la *Marxa del Centenari*:

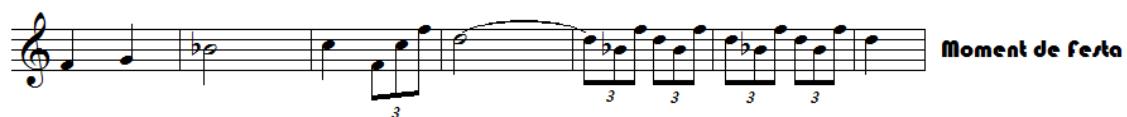

El Somni

Marxa del Centenari

A partir del compàs 103, comença la segon gran secció de la peça, que ens recorda a la intervàlica de *Moment de Festa*, presentada com a introducció de la mateixa.

A partir del compàs 123 es produeix el **TEMA C**, construït d'una forma semblant al **TEMA B**, és a dir, després de la unió de la intervàlica d'una melodia amb la rítmica d'una altra, amb la particularitat que es presenten simultàniament com a tema i contrapunt de la següent forma, ja que tenen el mateix nombre de notes en la primera frase, i per tant, reposen en la mateixa nota:

La intervàlica de *Moment de Festa* amb la rítmica de la *Marxa del Centenari*, i a la inversa.

A partir de la 2a part de la **CODA**, poden trobar el "cap" del motius inicials d'algunes de les marxes enllaçades:
